

Animal Athletes

Blue-banded bee
native to Queensland

Sporting profile for: (Name)
(Species: *Homo sapiens*)

1. Archery

Competitors:

- Archerfish: accurate from 1.5 m away
- Spiny-tailed Gecko: 50 cm but not accurate
- Human: Olympic targets are 70 m away

I scored points with my water pistol.

2. Long jump

Competitors:

- Rocket frog: 4 m (80 times body length from standing start)
- Eastern Grey Kangaroo: 9 m (length of small bus)
- Human male: 8.95 m (world record)
- Human female: 7.52 m (world record)

I jumped cm

I jumped my frog cm

3. High jump

Competitors:

- Flea: 18 cm (100 times body length)
- Brolga: 1 m (during courting dance)
- Human male: 2.45 m (world record)
- Human female: 2.09 m (world record)

My ball bounced cm

from a release height of cm

4. Long-distance sailing

Competitors:

- By-the-wind Sailor: sails vast distances across oceans using left- or right-handed sails
- Human: first people sailed around the world in 1522

I used breaths to sail my boat across the 'ocean'.

5. Free diving

Competitors:

- Leatherback Turtle: down to 1230 m on one breath
- Beaked whale: down to 3000 m
- Human: 214 m on one breath (world record)

I made my diver 'dive' times in 10 seconds

6. Running

Competitors:

- Emu: 50 km/h
- Ghost crab: 2.1 m/s (7.56 km/h)
- Snail 5 m/h on trail of slime
- Three-toed Sloth: 0.24 km/h
- Human male: 37 km/h
- Human female: 33 km/h

My fastest time was sec doing the run.
